Work Order summary report - Allow to filter out records to print

The screenshot shows the Odoo Work Order Summary Report interface. The top navigation bar includes links for Discuss, Calendar, Contacts, CRM, Sales, Website, Contracting, Execution, Purchases, Inventory, Link Tracker, Manufacturing, Invoicing, Project, and More. The left sidebar lists various modules and reports, with 'Contractor Payment Report' highlighted. The main content area displays a form for filtering the report by Project (Solar Plant), Sub Project (Solar Phase 1), Project WBS (Solar Wbs 1), and WorkOrder (WO001). Below the form is a table with columns: WorkOrder, Contractor, Project, Sub Project, Project WBS, Bill Created, Bill Paid, and Balance Remaining. The table contains one row of data for WO001. A 'Print' button is located at the bottom left of the report area.

| WorkOrder | Contractor | Project | Sub Project | Project WBS | Bill Created | Bill Paid | Balance Remaining |
|-----------|------------|-------------|---------------|-------------|--------------|-----------|-------------------|
